

Joint Marketing & Database Management

LoanToolbox Platinum Partners is the automated system that delivers professionally designed, co-branded marketing at an affordable price and no hassle.

A completely automated email delivery service. You will be able to upload your contacts and Platinum Partners takes care of the rest.

Co-branded Special Alerts delivered to your databases 1-2 times per month.

Co-branded YOU Magazine delivered to your databases monthly.

Co-branded Holiday Postcards delivered to your database each month.

Co-branded Practical Financial Tips Newsletter delivered to your databases each quarter.

Co-branded Quick Tips delivered to your databases as selected. You can choose from the amazing Quick Tip Library or you can plug your own topic into our professional-quality template.

Co-branded Success Stories, **co-branded Open House flyers**, or any co-branded message you want to blast to your databases.

Co-branded Info-Marketing Booklets

Branded Letterhead

Advanced Campaign Reporting offers a more precise look at the response to our marketing efforts, including bounce-backs, blacklist entries, and opt-outs.

With this service, you and I can actually co-brand and automate campaigns that will not only create an unforgettable experience for our clients, but it will also **increase our production, our market share, and take our businesses to new heights.** Even better, it's all **RESPA compliant.**

The market is changing quickly, and we need to stay two steps ahead of the competition. With this incredible marketing system, everything is done for us, so that we can concentrate on what we do best: closing deals.
