

GoToMyPC

Access Your PC from Anywhere

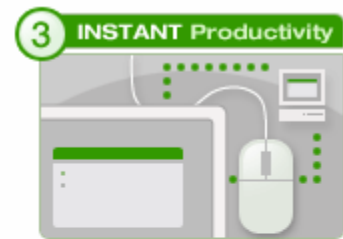

GoToMyPC is for individuals needing remote desktop access to 1-20 PCs. It's an easy and secure remote-access solution that enables you to conveniently access email, files, programs and network resources from home or the road. Get unlimited access to your PCs from any Web browser anywhere.

Download GoToMyPC. Setup is automatic and takes 2 minutes. Leave your PC on and connected to the Internet.

Log in to www.gotomypc.com from any Internet connection in the world. Click Connect, and your PC desktop will appear in front of you.

Start working on your PC as if you were sitting in front of it – even if you're thousands of miles away.

GoToMyPC is the fast, easy and secure way to access your PC from any Web browser or wireless device in real time.

Access files, programs, email, and network
